PROFILE

Detail-oriented team player with strong organizational skills. I have a passion for programming and a strong desire to work in the field. I have proficiency in various programming languages and technologies, with a specialization in computer networks and ESP32 programming. My skills include C#, and I have completed a course in C# Basics. Additionally, I hold certifications from the Cisco Academy for CCNA1, Cybersecurity, and IoT. I possess strong analytical skills and the ability to effectively solve problems. I am eager to further develop and enhance my programming skills and thrive in a dynamic environment.
